Could we politely ask that children do not enter the staff car park or play around staff cars.

**School Lane** – to ensure the safety of our school community a polite reminder that no cars should be driven down School Lane at school pick-up and drop-off.

**PLEASE** can you ensure that children arrive at the correct time for school. Where possible we are trying avoid any congestion so please arrive as close to the start time as possible. Also it is extremely disruptive to their learning if children are coming into class once teaching has commenced.

Siblings should arrive for the earliest start time please.
